

# CHARLESTON ELECTRICAL CONTRACTORS ASSOCIATION

**“ON BEHALF OF THE CHARLESTON ELECTRICAL CONTRACTORS ASSOCIATION WE WOULD LIKE TO CONGRATULATE STEVEN SPOHNHOLZ ON ACHIEVING HIS BACHELORS OF SCIENCE IN ELECTRICAL ENGINEERING AND RECOGNIZE HIS FOR HIS SUCCESS & DEDICATION TO THE ELECTRICAL INDUSTRY.”**

## Meet Our Exceptional Graduate

Steven Spohnholz began his career in the United States Marine Corps, after his enlistment he got out and went to work for Electric Supply Company, where he was accepted into the Electrical Apprenticeship Program.

Steven graduated from the apprenticeship program in 2004 with his journeyman's card.

Steven went to work for Transworld to continue his pursuit in the electrical industry and went to Trident Technical College and received his Associate Degree in Applied Science.

Steven was recently promoted to Senior Electrical Systems Coordinator. Steven has also received the following achievements while at Transworld Electric:

- **Certified Generac Technician**
- **TEGG Certified Technician**
- **Level 2 Airborne Ultrasound Technician**
- **Level 2 Infrared Technician**

Scott Newton (right) President of CECA presents Steven a plaque & an anonymous check for his achievement. Morgan Fowler (left) represents Transworld.

Steven plans to continue his career as he's preparing for the SC Fundamental of Engineering Exam & SC Professional Engineering Exam. In addition, he one day plans to earn his Master Electrician License, Masters of Science in Project Management, and Masters of Science in Electrical Engineering Degrees.
